CAPTURE THE FLAG

Cybersecurity Competition

November 3, 2018
Doors open at 11:00AM
Competition starts at 12:30PM

Entry level cybersecurity competition using hacking tools to solve puzzles and earn points. The team with the most points when the bell rings at 3:30pm wins!

NO PRIOR EXPERIENCE NECESSARY!

Just need an interest in cool technology, learning new skills, or preparation for a career in technology.

Register Online: <https://magicinc.org/our-events>

Enter as an individual or team. Maximum 4 per team. All individual team members must register.

There will be multiple satellite locations participating across the county.

All participants must sign a media release. This CTF will be live streamed and televised on public access channels.
