

MID-ATLANTIC GIGABIT INNOVATION COLLABORATORY

WHEN

Saturday November 3rd, 2018
11:00 to 4:00 pm

WHERE

The Community Media Center,
in Westminster, MD and host
locations across the country!

WHAT

The sixth MAGIC CTF competition will feature teams of students competing at multiple locations across the country. The event will be live-streamed, as well as recorded for the Community Media Center of Carroll County, MD's public access channel 19.

This is a beginner level competition where contestants will acquire and demonstrate their hacking and cybersecurity skills.

Publicity for the event, and images and video from the event will be promoted via multiple social media channels.
